

To book an appointment with Maree, please read this first.

Due to the demand for people to see Maree at present, the waiting time for an initial appointment is 4 months as of 26th March 2018. As a result, Maree needs to make changes to her business to accommodate present patients she is treating. **To see Maree, you will now need to have a written referral from a GP or consultant. (Written referrals from physiotherapists, personal trainers or other health professionals will be considered on a case by case basis)**

Maree wishes to apologise to those who wish to self refer. Once the waiting time has reduced, then self-referrals will be accepted again.
